Article 6 - CATEGORIES

- The Motorcycles of the following classes are allowed under the definitions set out in sections 2.6, 2.7, 2.8 and 2.9 of the Regulations of the Championship and the World Cup FIM Endurance.
- **FORMULA EWC**
- **SUPERSTOCK**
- **SUPERTWIN**
- **EXPERIMENTAL** 4 times up to 1200 cc

Article 7 - NUMBER OF CREWS AND RIDERS ADMITTED

The maximum number of teams allowed to participate in practices of 60

The maximum number of teams allowed to start is 60

Article 8 - ENGAGEMENT, LICENSES, AND PARTICIPATION RIGHTS SECURITY

Applications for entry must reach the organizer no later than 2nd August 2017 must include the name of ALL riders.

For foreign runners these must be approved by their national federation.

The Teams must be in possession of a license World Championship (for teams). If several machines are committed by the same team, a team license per machine is required.

Accordance with the Regulations of the Championship and the World Cup FIM Endurance (Article 1.8.8.), A registration fee as follows of 2500 Euros for **all** teams must necessarily be attached to the entry form.

For undertaking requested after the closing date, subject to acceptance by the selection committee, an additional fee of € 1,000 will be applied by bike. This fee will not be refunded in case of non participation.

Bank details for transfers:

Crédit du Nord

Compte : AMCF SPORT

Code banque : 30076

Code Agence : 02137 – Domiciliation Stadium Entreprises

N° Compte : 11106100200 – Clé RIB : 95

IBAN : FR76 3007 6021 3711 1061 0020 095

BIC : NORDFRPP

Entry fees and technical expenses will not be reimbursed to the package competitors after the selection committee, the **3rd August 2017**, or not qualified after the practice and the jury meeting confirming the starters or in case of non-presentation of the qualified motorcycle on the starting grid.

An entry will only become official engagement after receiving confirmation of the organizer.

A deposit of 2,000€ and will also inevitably be attached to the commitment to payment by check. For card payments, bank imprint will be taken at the online payment and the organizer reserves the right to charge the deposit on the account concerned, as it would collect the check if needed.

This deposit will cover all deposits (transponders, armbands, extinguishers etc ...). It will be fully returned, with the exception of any losses or breakages of the given material.

Accreditation / Ticketing : The list of tickets is given in Annex I.

Article 9 - SELECTION OF CREWS

A Selection Committee will meet after the closing date of the commitments and 60 select teams.

This Committee's decisions are final. Each team is informed that the organizer of the 81th BOL D'OR is not able to guarantee their participation in this event before the meeting of the Selection Committee scheduled for: Thursday 3 August 2017.

The organizer will notify the teams admitted within 72 hours of the closing date of the entries on the acceptance or the refusal of their registration.

The commitments will be in the following priority: FIM Endurance Code Article 1.8.7

Each entry form must necessarily be accompanied by the entry fee, the deposit, mentioning the team and all runners. The Selection Committee reserves the right to refuse any entry, even if it was filed on time.

The Selection Committee also reserves the right to refuse an undertaking if a financial dispute with AMCF or the FIM prior to the event remains.

Article 10 - ADMINISTRATIVE AND TECHNICAL CHECKS

No rider or machine can enter the track without having passed the technical checks.

Administrative and technical checks will take place on Wednesday, 13th September from 9:00 am to 1:00 pm and from 2:00 pm to 5:00 pm.

The presence of team managers accompanied by their riders is mandatory.

Opening the sports secretariat

- Wednesday, September 13th from 9:00 am to 1:00 pm and 2:00 pm to 6:00 pm

- Thursday, September 14th from 9:00 am to 1:30 pm and 2:00 pm to 6:30 pm

- Friday, September 15th from 9:00 am to 1:30 pm and 2:00 pm to 7:00 pm

- Saturday, September 16th from 9:00 am to 1:30 pm and 2:00 pm to 9:00 pm

- Sunday, September 17th from 8:00 am to 0:30 pm and 2:00 pm to 4:00 pm

The checks will be held :

Administrative : Ground floor of the building Pit

Technical : To be determined (however, in the middle of pit lane)

Machines must carry number plates, in accordance with Articles 2.3.12 and 1.7.2 of the Regulations of the World Championship FIM Endurance.

All machinery will undergo at any time noise control during practice and especially at the end of qualifying.

Engines markings will take place in the pits competitors on Saturday morning immediately after the warm-up. The marking of exhaust silencer, will take place Thursday, September 14th from 10 am to 4 pm [to be confirmed].

The board cameras (other than the promoter of the FIM Championship or permitted by the FIM Administration) are not allowed.

If a team wants to install its own board camera, it must make a formal request to the TV department of the FIM or EEL promoter.

The installation and installation will be the approval of the Race Direction and technical Commissioners.

Article 11 - BRACELETS AND ARMBANDS

Each rider will be equipped with a bracelet and two armbands and transponders provided by the timing company (ITS CHRONO) during administrative checks. He shall wear these during the whole of the tests and races.

He will have to participate in the test sessions corresponding to the color of the cuff he has been awarded.

Under no circumstances will it change color unless case of emergency and prerequisite approved by the FIM jury.

The color of the bracelet and therefore of the cuff is directly linked to the starting order of the race (blue, yellow, red, green).

Any infringement of this regulation will be penalised.

The team must return the transponders to the timing company either after abandonment or at the latest 10 minutes after the end of the event if the machine has finished the race.

Article 12 - FUEL

The fuel must comply with section 2.10 of the Endurance FIM Regulations.

Article 13 - TESTS – QUALIFYING

It is strictly forbidden to ride racing motorcycles on the track outside the official practice periods.

Each rider entered the 81th Bol d'Or will necessarily participate in the practices, in the series in which he has, depending on the colour of his armbands and its strap in accordance with section 1.11.1 of the Regulations of World Championship Endurance FIM.

Grid position and qualifications: in accordance with Article 1.14 of the Regulations of the World Championship FIM Endurance.

Article 14 - BRIEFINGS

Team managers must attend the entire planned to indoor briefing (to be determined) **Wednesday, September 13th 2017 from 8:30 pm to 7:15 pm.**

The pilotes must attend the entire planned to indoor briefing (to be defined) **on 14 September from 7:30 pm to 8:15 pm.**

Article 15 - PADDOCK AND STANDS - PANELING

Positioning in the pits and paddock will be done according to the guidelines of the organization in collaboration with the International Jury for the FIM and the Promoter.

The allocation of stands is the sole responsibility of the organizer.

The final allocation of the stands will be Friday, September 15th, 2017 [to be confirmed] (after publication of qualified teams).

Derricks must be strongly assembled inside the pits (maximum authorized outside 0.50m) before 11 am Thursday, September 14th [tbc], so they can be checked. All derrick that would not meet the safety measures must be removed.

The use of any spark-generating device (welder, grinder, grinding wheel etc ...) is strictly forbidden. During practice or the race, only authorized portable electric tools without power cables.

Any team not in their pit garage at 11 am Saturday September 16th, will be considered failed.

Non-qualified teams will necessarily have released their stand before Friday, September 16th 16h [to be confirmed].

A stand can be assigned to one or more machines belonging to a competitor or to **several** different competitors, each sharing equally. The area covered, the facilities, the surface on the deceleration track and paneling Zone. (See below).

Each Team Leader is responsible for compliance with safety regulations.

Living space and stewardship : There will be awarded each team a parking space for the vehicle workshop behind the stands where the parking of caravans or tents will be prohibited, and a surface of 50 m2 for "stewardship" of teams in the paddock "Bol d'Or".

It is prohibited to discharge wastewater vehicles in soils. Any violation of this prohibition will be sanctioned by the jury of the event (Article 6.e code FIM Environmental).

For safety reasons, it is strictly forbidden :

- Use barbecues in the back of the building because of gas storages.
- Store the material between the truck and the building on fire lane behind the pits.

Paneling : The signaling area is in the pit area.

The paneling is permitted in this area (2 signalers per team). Demountable facilities are allowed to the extent that they can not create any security breach. The use by the teams flags, emblems or lights similar to those used by officials to inform riders is forbidden.

The maximum dimensions of the installations are the following :

- Height = 2 meters maximum.
- Width: 2 m along the signaling wall.
- Depth: 1 meter between the 2 walls.

The timing booth will in no case exceed protective glass.

No drilling will be done on media windows.

The facilities will be made only with transparent materials. The only authorized entry (200cm x 20cm maximum) on these facilities is the brand of motorcycle.
