**STORY**

10

A large, abstract graphic element consisting of thick, black, rounded strokes. The shape is roughly triangular in orientation, with a wide base extending towards the bottom right. It features several white, irregular cutouts or negative spaces that create a sense of depth and form. The overall style is minimalist and modern, resembling a logo or a stylized letter.

A large, abstract graphic consisting of several thick, black, geometric shapes on a white background. The shapes include a tall trapezoid on the left, a wide trapezoid on the right, and two smaller, slanted rectangular blocks positioned between them. The overall composition is minimalist and modern.

( 五 )

The image consists of two large, black, angular shapes that resemble stylized lightning bolts or arrows pointing upwards. These shapes are composed of thick black lines and feature white triangular highlights at their points. They are set against a plain white background and are positioned side-by-side, creating a sense of symmetry and dynamic movement.

The image consists of two large, black, symmetrical shapes positioned side-by-side against a white background. The left shape is oriented vertically, while the right shape is oriented horizontally. Both shapes are composed of thick black outlines and feature white rectangular cutouts. The left shape has a single vertical rectangular cutout on its left side. The right shape has two horizontal rectangular cutouts, one near the top and one near the bottom. The overall design is minimalist and abstract.
